REQUEST FOR ACCOMMODATION

Dear Kelly Koos;

On March 22, 2019, I went to your information site (the website www.lakelandgov.net) trying to learn about the governmental functioning of City of Lakeland through the documents you provide within your site.

I am legally blind, so I depend on a screen reader to help me understand electronic documents. My screen reader would not work with your electronic documents. I was specifically interested in documents related to the budget of the City of Lakeland (electronic documents) for 2018, 2017, 2016 and 2015 and all City Commission agendas and back up material for year 2018, 2017 and 2016. Would you please make these documents accessible in your site so that they will work with screen readers?

I have visited www.lakelandgov.net in the past and I continue to desire to visit www.lakelandgov.net in order to become informed about the programs, services and activities offered by City of Lakeland particularly relate to governmental functioning.

Your site has many other electronic documents other than the specific ones which I have asked for above. In addition to the specific documents listed here, can you also make the other electronic documents within your site accessible so that they will work with screen readers so I don't have to take the steps to ask for each document in a mail request?

I appreciate your reply as soon as possible.

Thank you,

X
